"SPEED THE DELIVERY OF YOUR MAIL." Mail rehandled is DELAYED. 125,000 letters are rehandled daily in the Boston District on account of INCOMPLETE ADDRESSES. Supply your correspondents with your correct STREET AND NUMBER.

USE YOUR DIRECTORY.

The House Guide and Street Directory gives the location of each avenue, street, court, crescent, place, road, square, terrace, and boulevard, and shows what streets etc., run from or across it, with the number at which they intersect. The heads of each family are given in numerical order; the even numbers on the left and the odd numbers on the right.

The abbreviation "M. H." after the name of the street indicates Melrose Highlands Post Office.

Directory Service

Directory service is an integral part of our every-day life. There is nothing in any community that offers the vast amount of free public service, such as a directory gives and is giving every day in the year.

It is a great service to print every one's name—your business or occupation, your home and business address—free, without any trouble or expense to you at all.

It is a great public service to furnish this information to a community. In addition to this the directory is a great exposition of the people and their institutions. It contains everything of importance in the community. Every question they may ask is promptly and correctly answered by this ready reference publication, and all this information is constantly available to the public.

This is a service of inestimable value. The directory is a booster—a great economizer of time and effort—a public benefactor and historian.

You can find all the people all the time in your local directory.
